5. Complete the Personal Information and Payment Option at the bottom of the page to complete your purchase. **Please note that receipts/information will be sent to the email provided so please make sure you put in a correct email.**
6. The installation process must be done **at school on the school's network** for the software to install properly. Please bring your **activation key** to school when you are ready to install. You may see the technicians if you need help doing this.
7. Your licence will be valid for 1 year so you should purchase the software just prior to the start of the 2024 school year, so your licence doesn't expire before the exam period later in the year.
8. Please contact **Mr. Maharaj or Ms. Disegna** if you have any questions about this process.
